CHICAGO, Nov. 4.—The most important changes effected by the election are the declaration of Colorado voters for prohibition and the defeat of former Senator Patterson for governor of his state by Carlson, a comparatively unknown man. Patterson has ranked as one of the ablest leaders in the Rocky Mountains. He was former owner of the Rocky Mountain News and the Denver Times. ENGLISH BOATS SUNK IN BIG NAVAL BATTLE ON THE PACIFIC OCEAN

BERLIN, via Sayville wireless, Nov. 4.—It is officially announced that 19 Russian transports were sunk by the Turks. These vessels carried 1700 mines intended to be used for blockading Turkish waters, thus proving the Russians' intentions were hostile. It is also announced the Russian troops were unsuccessful in the first fights against Turks in trans-Caucasia.

TOKIO, Nov. 4.—The Japanese admiral has announced the Austrian cruiser Kaiserin Elizabeth was sunk in the Bay of Kaio (Chau) and that Fort Itis, the principal point of defense at Tsing Tao, was silenced. Governor Meyer Waldeck, the German commander there, is reported wounded. The general attack on Tsing Tao is proceeding night and day. Many buildings are burning.

BERLIN, Nov. 4.—Bulgaria's entrance into the war as an ally of Germany and Austria is foreshadowed by advices today that railroad communication between the Bulgarian kingdom and Serbia has been broken off. Bulgarian troops are reported already upon the Serbian frontier.

LONDON, Nov. 4.—It was officially announced from the foreign office this afternoon that the British government has yet taken no definite action regarding Turkey. This evidently means England has not yet declared war.

PETROGRAD, Nov. 4.—An official announcement states Russian troops have crossed the Turkish frontier and captured eight villages. Turkish troops attempted to oppose them, but retreated after suffering severe losses.

LONDON, Nov. 4.—The Turks have begun seizing the shipping off Constantinople. The porte ordered the extinction of lighthouses in the Mediterranean and the littoral.

LONDON, Nov. 4.—A Reuter dispatch from Sofia says Serbia and Turkey have declared war.

LONDON, Nov. 4.—Sofia dispatch states the Turkish fleet sunk the Russian battleship Sinop.

INCOMPLETE RETURNS FROM SEVEN COUNTIES AND PARTIAL RETURNS FROM THREE FORECAST THE RESULTS

Incomplete returns from Clark, Nye and Washoe counties and complete returns from Churchill, Elko, Eureka, Humboldt, Storey, Lyon and Mineral counties reported at two o'clock this afternoon assure the election of Sam Platt, the Republican candidate for the United States senate.

Men who are familiar with the collection of returns in Humboldt and Elko counties believe there is some mistake in announcing a complete vote from these counties, as they are notoriously slow.

Tabulation at Republican State Central headquarters at noon give Newlands 2,861; Platt 3,197; Miller 1,398; Roberts 2,587; Fowler 2,488; Scanlan 740; Oddie 3,390; Boyle 3,343; Morgan 1,010; Lozano 2,504; Sullivan 2,669; Burton 679; Holmes 2,324; Brodigan 2,408; McKay 1,117; Thatcher 2,468; Springmeyer 1,795; McMillan 2,606; Malley 2,424; Eggers 2,412; Cole 2,475; Stinson 2,965; Ryan 1,831; Richie 692; Kyle 2,825; Deady 2,495; Abel 2,824; Bray 2,617; Currier 1,777; Coleman 1,397; Farnsworth 3,467; Trimmer 977.

The count is going slowly all over the state and returns are confused. At one time Governor Oddie was behind, but he seems to be gaining.

GERMANS RAID THE BRITISH FLEET IN THE NORTH SEA

LONDON, Nov. 4.—Regarding a raid by the German squadron in the North sea on the British fleet a dispatch says the crew of Submarine D-5, sunk by Germans, was lost excepting four men. The British cruiser Hileyon engaged the Germans and the Hileyon was struck eight times.

CONTROL CONGRESS IN THE BALANCE

WASHINGTON, Nov. 4.—Although eighty-five congressional districts are not heard from, Democratic leaders are confident the administration would retain control of congress, although the majority of the house might be reduced.

steadily now, although the race will be very close, as Democratic precincts remain to be counted from Newlands and Miller. Platt gains all the time. Miller hopes to have cut into the Newlands vote worse than he did into the Republican vote. Ed Roberts is safely elected.

OFFICIAL COUNT WILL BE REQUIRED TO SETTLE TWO CLOSE CONTESTS

The returns from two Tonopah precincts are not in yet. Up to four o'clock this afternoon but two precincts had completed the count. They were Precinct No. 1, located down on Lower Main street, which came in comparatively early and No. 2 on St. Patrick st. Then it developed that most of the other clerks and judges of election were so badly fatigued that they were unable to continue counting or checking and they had to be removed by orders of the county commissioners. This entailed a recount of a lot of ballots and the delay brought the work late into the afternoon. At 2 o'clock Precinct No. 4 gave out partial returns and announced that fifty ballots remained to be counted. At 3 o'clock Precinct No. 2 on St. Patrick street had all counted but five ballots and these were finished in about thirty minutes. The count was slow from the fact that the voters had scratched freely and that the numbers of voters in each precinct is too many to be handled by any single set of officials. As the law stands it is stipulated that a booth be allowed for each 400 voters. This should be changed to not more than 250 voters.

At ten o'clock last evening Judge Forman conceded the election of Judge Averill. It was also evident that the race for the shrievalty would be close between Slavin and Thomas. Miller the Socialist candidate for the United States senate, ran ahead of Newlands, outstripping him by 22 votes so far as returns have come in. Dunseath and Gallagher are neck and neck for justice of the peace. Seven precincts have been heard from complete. These are Tonopah No. 1 and No. 2, Manhattan, Round Mountain, Pioneer, Rhyolite and Springdale. In addition to this the partial returns from Precinct 4 are included in the accompanying estimates, which give a close resume of the vote as it stands when the Bonanza went to press. Here it is:

Newlands	595
Platt	583
For Governor.	
Morgan	487
Oddie	437
Boyle	556

The number of ballots cast at the several precincts in Tonopah were reported to be: No. 1, 351; No. 2, 344; No. 3, 424, and No. 4, 450, making a total of 1,569. This brought out the largest percentage of the entire vote ever cast in Tonopah, as it left only 174 registered citizens from availing themselves of the right to express their choice at the polls.

JOHNSON WINNER IN CALIFORNIA BY A GREAT MAJORITY

SENATORSHIP IN DOUBT WITH
BETTING FAVORING RETURN
OF PHELAN.

SAN FRANCISCO, Nov. 4.—The returns served only to accentuate the victory of Johnson and left the senatorship in doubt, with indications pointing to the election of Phelan. Knowland second, is far ahead of Hene. Messer returns from the first congressional district indicated Kent is being hard pressed by Hart. In no other congressional district did either party seem likely to gain or lose a member of the California delegation, except the sixth, where the seat vacated by Knowland remained close.

Of the proposed new laws, prohibition and eight hours were snowed under, together with the constitutional convention measure, while the red light abatement appears to have won. The fate of the anti-prize fight measure is in doubt. Eshleman is away ahead of Snyder.

GERMAN BOAT SUNK BY A GERMAN MINE

COPENHAGEN, Nov. 4.—A German trawler is reported to have been sunk in the Baltic near Langeland Island by striking a mine.

MESSINA, Sicily, Nov. 4.—A train between Messina and Palermo was wrecked and the passengers and crew excepting one, killed. Floods washed out a bridge, and the train crashed into the river bed.
